

# Maxwell Arthur Maloney

Tina Spangler and Richard Maloney of Narrowsburg, NY welcomed their son Mack Maloney on December 9 at Vassar Brothers Medical Center in Poughkeepsie, and had to say goodbye far too soon on December 19. Their hearts overflowed with joy as they fell in love with Mack.

In his short life, Mack touched the hearts of his extended family in Wisconsin, Long Island, the Upper Delaware community, and the NICU at Vassar Brothers.

Tina and Rick thank everyone for their outpouring of support and prayers. Mack is loved and missed beyond measure.

A private memorial is being planned.
